## ANNUAL FOX POINT CARD PARTY

**Saturday, March 11th at the Biltmore Country Club**  
**Deadline to RSVP: February 5<sup>th</sup> or when sold out**

HAPPY NEW YEAR! It's time to sign up for Fox Point's longest and beloved event. What started as a little event to raise some sailing funds "way back when" has become a staple event here in Fox Point for 41 years.

As in the past, this event WILL sell out and we have limited seating. In order to have a reserved spot, your team's full payment must be in hand. If you are a team of two couples, we ask that both couples pay in full; if you are a "pair us randomly" couple, then just your own check must be submitted.

We ask that you do not sign up unless you know you can attend. As you can imagine, the logistics of the event take time to prepare. While we know emergencies can happen, holding onto spots just in case "you can maybe make it" is discouraged. We will have a wait list as we have had in the past; to be on that wait list your RSVP/check must be in.

Biltmore Country Club has a wonderful buffet dinner lined up for us. There will be a cash-only bar. Those that are Biltmore members can put drinks on their house accounts, and will need to give their member number for security purposes.

Flyer attached at the end of the newsletter.

## HOA BOARD CANDIDATE PROFILES AND BALLOT

### **Anthony R. Crissie (LAKE)**

My name is Anthony Crissie, my family and I have lived in Fox Point since December of 2014; we live at 265 Cold Spring. My wife Stephanie and I have 2 daughters; Isabella (19 mos) and Sienna (2 mos). We also have a dog named Tika, she's a Yorkie.

Moving to Fox Point has been an incredible experience for me and my family, we are very fortunate to have so many wonderful neighbors in this amazing neighborhood. I want to help keep that going and participate as a board member.

I grew up in Arlington Heights, IL for the early part of my life before my family moved to Barrington in 1991. After 2 years at Barrington Middle School (Station), I went out to St. Viator High School where I graduated in 1997. In high school I participated in a variety of clubs and organizations to help make the school a better place. Some of these include: Student Council, Retreat Team, Peer Mediation, Outdoor Adventure Club, and KAIROS. My education continued at the University of Iowa, I graduated with a BA in Political Science in 2001. I am currently a partner at a nationwide sales agency called LineDrive where I am the Director of Sales and VP of Marketing. In my role I manage 10 people; I have been successful by excelling at work effectiveness, being a good listener, and creating well-organized game plans. I have kept involved with the community by volunteering with The Jeffery Pride Foundation, PADS, the Community Meal, and most recently our street's backyard party.

Throughout my life I have been involved in various leadership roles both professionally and personally that have provided me experience I can apply to help serve as a board member.

### **Jim Eyerly (COOK)**

Hello, I am Jim Eyerly. My wife Kelly and I live on Red Barn Lane on the south (Cook County) side of Fox Point. We relocated back to Illinois in November 2014 after spending 13 years along the east coast. I have retired from my historical renovation business and am looking to get involved in our community. I feel I can bring a fresh perspective to the board. Whenever possible, I enjoy traveling, doing woodworking and have an interest in everything aviation related.

**Steve Livingston (LAKE)**

My name is Steve Livingston, my wife Jennifer and I moved our family to Fox Point in 2013. We have 4 kids: Emily (5), AJ (4), Lauren (1), and Libby (1). I am running for the board because I look forward to doing my part in continuing to make Fox Point an amazing place to raise a family. I grew up in Oshkosh, WI and graduated from Ohio State in 2004 with a degree in Finance. I have worked in the investment industry since then. I currently work as an Associate Portfolio Manager at William Blair in Chicago. In 2010 I received my CFA (chartered financial analyst) designation, and in 2012 I received my MBA from The University of Chicago with concentrations in Finance and Economics. I served on the board of my condo building in the city for 2 years from 2010-2012.

**Christine Mickey (LAKE)**

Hi! My name is Christine Mickey and I'm running for the Fox Point board because I care about our neighborhood and want to be a representative for every household in Fox Point. I have grown to love the Fox Point and Barrington community, our neighbors, and all the amenities that Fox Point has to offer. As a board member I would work to ensure we carry on the tradition of the Fox Point organized activities, continue to invest in and maintain the many resources we are so fortunate to have, and strive to make Fox Point the most desirable place to live in Barrington.

I have lived in Fox Point for 2.5 years at 749 Indian Way. My husband, Brian, grew up in Barrington. I'm a loving mother of three children (Olivia 7, Connor 4 and Caroline 4) and am expecting our fourth child in late 2016.

I'm a busy and active stay at home mother. Since retiring from a consulting career at Accenture in 2010, I've owned and operated two successful Internet businesses and am now an independent consultant for Rodan + Fields. I graduated from Miami University in Oxford, Ohio with degrees in mass communications and business. I am an avid tennis player in the summer and I enjoy skiing in the winter with my family. Also, my children and I are involved in both the Fox Point tennis classes and the swim team.

I would very much appreciate your support and look forward to representing you on the Fox Point board!

**Mike Moran (LAKE)**

I have lived in Fox Point for almost 12 years with my wife Kathy, Jack (18), and Grace (13) after relocating just down the road from Palatine. For the past 30 plus years I have grown Moran Transportation Corporation, which is a 400 employee regional transportation & warehouse company based in Elk Grove Village, Illinois (the pretty green trucks with the leprechauns).

Over the past 10-12 years I have been involved in a number of different local, regional, and professional organizations. Within the community I spent quite a number of years coaching local soccer teams and I am currently an active member of the Fox Point Home Owners Board for the past three years. I have been managing the common grounds tasks within Fox Point and hope to continue to improve and update these areas within Fox Point. I have helped manage many a social event during those 12 years as a homeowner and ran the Fox point Golf outing for a number of years. I have served on the House Corporation Board for my Fraternity for 8 years helping to manage a recently completed 4M capital campaign & facility renovation in beautiful Champaign, Illinois. At the professional level I continue to be actively involved in a number of different transportation & political organizations including Past Chairmen of the Regional LTL & Distribution Association (division of American Trucking Association in Washington DC) and the active Chairmen of the Distributors & Consolidators of American Association.

For the past three years I have been actively involved in updating our Fox Point Community within the common grounds arenas. We have spent quite a bit of moneys on capitol project within the neighborhood as well as working to better maintain many of the assets within our neighborhood. I look forward to the opportunity to continue working on the board and working to upgrade and refine our common grounds.

**Stephanie Paine (LAKE)**

Our family moved to Fox Point in 2010, and it has been a wonderful 6 years. My husband (Brian) and I chose the neighborhood for the same reasons that many of you did - we wanted a family-oriented neighborhood with a thriving social element. Additionally, we loved the lake, tennis courts and, of course, the pool. Our children, Stella (age 7) and Ford (age 5) continue to enjoy all the amenities that Fox Point has to offer.

In our 6 years here, we have primarily contributed to the Fox Point community by coordinating social events. I have planned the Easter Egg Hunt several years in a row, the adult pool party, and last year's Pig Roast. I always enjoy working with other neighbors to pull off these events.

I am a CFO of a healthcare venture capital firm by day and I regularly interact with my company's board of directors. Additionally, I served as both Treasurer and President of the HOA of my condo building in the city from 2008-2010. I believe my experience will allow me to contribute to the dialogue within the board if I am elected.

I am running for the board because I would like to get involved in our neighborhood's governance on a more meaningful level. Fox Point has a lot of amazing elements, but some of our assets are aging and we need to do our best to keep them up to date and consistent with the standards that many of us expect. Our amenities are, after all, what allow our homes to be valued at a premium to homes in neighborhoods that surround us. The former boards have put in a lot of time and effort to evaluate and enhance our assets, and I would like to continue that effort.

That said, I realize we have a diverse homeowner base, and it's the duty of the board to consider all homeowners and make decisions that support the will of the residents. Should I be elected, I commit to evaluating issues from all perspectives and with the best interest of the neighborhood in mind.

**Horace Seely-Brown (LAKE)**

My name is Horace Seely-Brown and I have been living in Fox Point for 4 years now with my wife Tiffany and kids Horace V (6), Ella (5) and Olivia (2). We have truly enjoyed our time in the neighborhood thus far meeting some great people and utilizing the numerous amenities that attracted us to the neighborhood in the first place.

After having spent the past 4 years settling into the neighborhood and listening to the ideas of neighbors who want to further enhance and improve the Fox Point experience, I feel it is my time to give back a bit and dedicate my time to the board. As a financial planner and small business owner, I think I can bring a unique perspective to the board and will strive to continue on the successes we have seen over the years. I would truly welcome the opportunity to represent my fellow neighbors and friends.

## **Steven Shanfeld (COOK)**

Steven Shanfeld grew up in Barrington and has spent the past 33 years calling it home. He has such great memories growing up in the friendly confines of Barrington with his loving family and 2 brothers. He now has his own family and is currently located in the Lakeview neighborhood in downtown Chicago. However, he and his wife just closed on a new home in Barrington (Fox Point) and will be moving in December 1<sup>st</sup>. His wife of 4 years Taylor Laurence Shanfeld is also from Barrington and grew up in the Fox Point neighborhood. They have a 2-year-old daughter named Olivia and have enjoyed every minute of watching her grown up. He and his wife know how great Barrington and the Fox Point neighborhood are and want their daughter to experience the same upbringing that they had.

His family values and focus on giving back to the community have lead him to take part in several organizations & volunteer opportunities. Steven Shanfeld received his B.S in Finance from DePaul University in Chicago. He has worked in the financial service industry for the past 9 years. He started his career with The Northern Trust Company where he spent time working with clients to help them achieve their personal financial goals. He is now currently with The Private Client Reserve at U.S. Bank as a Wealth Planner continuing his passion of helping others achieve financial success. When he is not working, Steven enjoys spending time with family, friends and the occasional round of golf.
