#### PRESIDENT'S LETTER

by Jeff Janssen (J3\_Investments@yahoo.com, 309-846-0250)

Our Fox Point community is an outstanding place to grow families, to build relationships, and to simply experience the blessings of life. Within our community, there is a group of residents that have been willing to serve on our Fox Point Board and to strive to make our community the best it can be. In the new year, we welcome new members to the Board and wish our best to those concluding their terms.

We sincerely express our appreciation to three board members who concluded their terms. Margaret Graff served as our Social Chair and led a huge group of volunteers that made all of our amazing events throughout the year possible. Curt Moore was not only dedicated to his role as Civic Affairs Chair, but offered many insights during our meetings. Of course, we give special appreciation for all of the accomplishments and countless hours provided by outgoing President Tom Malia. Since I will not be able to do justice for the variety of contributions that Tom made, I will merely say "THANK YOU!" A big thank you to our entire Fox Point Board for all of their contributions during 2015.

If you missed the Annual Meeting, please allow me to give a very quick summary. Each Board member provided a recap of 2015 and thoughts for future years for their respective areas. In addition, we kept our election clerks Mary Malia and Steve Smith busy validating and counting votes. We had 106 ballots cast (over 25 percent of our homeowners)! Thank you to all who took time to vote. I'm sure the new Board will work hard to exceed your expectations in serving our community.

President: Jeff Janssen Vice-President & Social: Chris Kitzman Treasurer: Mike Uhran Secretary: Bob Ben Lake: Geoff Ommen Pool: Tammy Kerr Tennis: Therese Donoghue Common Grounds: Mike Moran Civic Affairs: Lynn Douglas Architecture: Marc Muhs Safety & Welfare: Erik Vandenbergh

Thank you for the honor and privilege of serving as President. Please contact me or any of the Board members with questions or comments. We look forward to hearing from you!

#### **BOARD REPORT: COMMON GROUNDS**

by Mike Moran (mdmoran@morandist.com, 847.344.9365)

Common Grounds has been relatively quiet this winter.

Our snow plow vendor has been doing a great job with the limited snowfall we've had so far. As I write this, we are way under budget for snow removal. Let's hope we finish the remainder of the winter with very little snow. We have started to plow the boat dock areas, so folks who want to access that area have the ability to do so during the core snow season. Enjoy and use caution!

This year our big Common Grounds project will be landscaping at the North and South Valley entrances. When the weather allows, our landscape team will rebuild the garden beds and plantings. It should be a dramatic change from our current entrance landscaping. By the time this project is finished we will have invested quite a bit of money in the Common Grounds area, specifically in the landscaping of two of Fox Point's larger areas. I think we will start to see the benefit of our investments as these new trees and plantings grow in the next year or two.

I am still waiting for two large entrance lights to be delivered and installed at each of the Valley Road islands. I hope that they are shining brightly by the time you read this newsletter. (Ed. Note: They are installed and shining brightly!) These two light fixtures were custom built for Fox Point so they have taken longer to get to us than originally anticipated. The upgrades in the lighting and ultimately the landscaping at the Valley entrances will really make a difference in the look and feel of the community.

Please let me know if you see anything that needs to be addressed within the neighborhood.

#### **CLASSIFIED KIDS**

It's time for an updated Classified Kids list. We purged the legacy list in anticipation of publishing the new list in the March newsletter. To reinstate or add names, please email the following information to Lynn Douglas at <u>lyndouglas@sbcglobal.net</u> by **February 20**:

Category

(babysitting, pet care, snow removal, vacation care (pets/plants/mail), Mother's Helper, lawn care, etc.) Name

Please indicate if your child is able/willing to do overnight child care and/ or change diapers.

Classified Kids is published in the March, June, September, and December newsletters.

#### **BOARD REPORT: SOCIAL**

By Margaret Graff (mgraff1126@msn.com)

I strongly believe that social events are an important part of the fabric of the Fox Point community. Thus, I wanted to take a moment to thank those involved. In 2015 the Fox Point Social Committee planned and hosted 14+ events serving adults, families and kids.

This would not be possible without a vibrant, active social committee.THANK YOU to the people that made this possible: Amber Bostock, Doreen Muhs, Julie Gwiasda, Liz Cocoma, Stephanie Paine, Melissa Paris, Bob Gwiasda, Margo Cidulka, Gwen Cieslak, Kim Richmond, Blake Seeds, Therese Keenan, Beth Adler, Beth Sherman, Margie Malia, Allison Meier, Susan Stoga, Jennifer Ryder, Joanna Carl, Jennifer Frighetto, Jessica Young, Lindsey Keenan, Heidi Kepler, Stacy Boyum, Krista Roberts, Jennifer Livingston and Elena Anastasiou.

It has been a pleasure serving as both a Board Member and the Social Chair for Fox Point these past 2 ½ years! Fox Point Social is always looking for volunteers to help chair or be a part of the planning committee for specific events. It's a great way to get involved!

#### **UPCOMING EVENTS**

#### Progressive Dinner - Saturday, February 27 Chair: Allison Meier

Don't miss Fox Point's annual Progressive Dinner on Saturday, February 27. The event includes appetizers, a catered dinner, dessert and drinks. The evening begins with appetizers at one Fox Point home, followed by dinner and dessert at various homes in smaller groups. The event concludes with an after party. The cost is \$34 per person and each couple brings an appetizer or desert. See the event sign up sheet attached to this newsletter. RSVP deadline is Sunday, February 7.

### Annual Card Party - Saturday, April 2

Chair: Doreen Coletti-Muhs

Fox Point's longest-running event turns 40 this year! What started as a little event to raise some sailing funds has become a Fox Point favorite.

This event WILL sell out. We have limited seating so we ask that you do not sign up unless you know you can attend. As you might imagine the logistics of the event take some time to prepare and while we know emergencies can happen, holding spots in case "you can maybe make it" is discouraged. We will have a wait list but to be on the wait list we must have your RSVP/payment.

Biltmore Country Club has a wonderful buffet dinner lined up for us. There will be a cash bar; Biltmore members can put drinks on your house accounts with your member number.

Deadline to sign up is February 29; the sign up form is attached to this newsletter. Please contact Doreen Colletti-Muhs with questions at <u>mdmuhs@hotmail.com</u>.

#### SAFETY & WELFARE

#### by Jeff Janssen (J3\_Investments@yahoo.com, 309-846-0250)

Thank you to those of you who have read my safety notes in the newsletter and an even bigger thank you to those who put these words of safety into action. Our biggest challenge is creating awareness and keeping these items in everyone's forethoughts. Just in case you missed any or all of my previous notes, here are a few consistent highlights:

- · Drive safely and watch your speed
- Be very cautious as you cross at the Lake Cook crosswalk
- Be courteous and safe with street parking
- Please remove the hazards of dead trees in your yard
- · Light up your yard light

Please join me in welcoming the new Safety & Welfare Chair Erik Vandenbergh. He will be an outstanding addition to the Fox Point Board. In our next newsletter, Erik will provide a little information about himself and his thoughts on Safety & Welfare.

Be safe and have a great year!

The Village of Barrington has announced the expansion of recycling programs.

Groot will now pick up all electronic waste at your curbside provided you call Groot at 1-800-244-1977 at least 24 hours before the desired pick up.

Landscape waste pick-up will resume on March 18 and will continue until December 16. This year we will be able to include approved food scrap materials with our yard waste in the approved waste bin. The Village intends to mail a list of approved food scraps before the expanded program begins.

#### ARCHITECTURE

by Marc Muhs (marcdmuhs@yahoo.com)

I'm happy to announce I will be serving as the new Architecture Chairperson. For those in the neighborhood I have not had the pleasure to meet, I have called Fox Point home for 20 years and enjoy living here with my wife and two sons, ages 15 and 9, with a daughter on the way. I have volunteered over the years in many areas and am excited to serve the neighborhood on the Board for the next three years.

I want to thank my predecessor Bob Ben for all his hard work over the past year; I know I can count on Bob for guidance. He will be an outstanding Secretary for the Board and I wish him good luck.

This is a good time to start thinking about spring projects so I am including the architecture guidelines to have your property reviewed and approved. It's a simple process that I've been through many times over the years.

1. Contact me (marcdmuhs@yahoo.com) well in advance of your project.

2. Fill out the provided forms and gather your neighbors' signatures. All neighbors with a line-of-sight must sign the application. Remind neighbors that their signature is not an approval of the project, but rather an acknowledgement that they have been notified that an alteration is being requested. If they express any concerns with the project, please refer them to me.

3. Submit the completed application along with detailed architectural plans by the first of the month. This will allow sufficient review time.

4. The appropriate parties will review the application.

5. Expect to have one or more Board members to visit the site.

6. The Board will review the application at our monthly meeting. You are welcome to attend the Board meeting and submit your plan.

7. The Board will send you written notice within one week of the meeting regarding your application. This notice should be submitted to the Village of Barrington for any required building permits.

8. If the Village of Barrington requires revisions to the drawings, new drawings must be submitted to the Fox Point Board of Directors.

In the March issue I will include a link to the 2016 Architecture form. Have a great month!

#### **FOX POINT DOLPHINS**

It's hard to believe that we are thinking of swim season while it's so cold out but we are setting up for a wonderful 2016 season! Here is some important info to note as we head into our registration period:

#### Registration

On or around March 1 we will open up our registration link for swim team. The link will be noted in the March newsletter and it also be posted on Nextdoor.com and the Fox Point Facebook page.

The cost of the 2016 swim team is \$185 for the first swimmer and \$135 for every swimmer in your family after that.

#### **Volunteer Hours**

As in past years, we require all team families commit volunteer hours. Without parent support we cannot run the meets and parties so it's important that you sign up to help. Volunteer opportunities will be posted online with a first-come, first-serve sign up closer to the start of our season. All families turn in a \$250 volunteer check but the check will only be cashed if you do not fulfill your volunteer obligation.

#### Swim Suit Try Ons

Join us on March 13 for our official suit try on event at the Village Church, 3 - 5 p.m. It's possible that we will have swim caps and sample suits to sell as practice suits. The hard deadline to order suits is March 31. We ask that all families planning to order suits come to this event. Please bring a checkbook for suits and registration.

#### **Sponsorship Opportunities**

Do you own/work at a business that would like to sponsor a kids' team? Look no further than your own Fox Point Dolphins for 2016! We have several different sponsorships to showcase your business. All sponsorships come with exposure to the team families and the Fox Point community. We have family sponsorships available too. Please contact Dolphins Co-Chair Doreen Colletti-Muhs at <u>847-910-8391</u> or <u>mdmuhs@hotmail.com</u> to discuss options and pricing.

#### **Dolphins Water Polo**

Look for details about Dolphins Water Polo (ages 9 – 15) in the March newsletter.

In the coming months we will have more details on practice start dates and a bunch of other much needed info! If you have any questions please e-mail Doreen at <a href="mailto:mdmuhs@Hotmail.com">mdmuhs@Hotmail.com</a>
