## PRESIDENT'S LETTER

By Jeff Janssen ([J3\\_Investments@yahoo.com](mailto:J3_Investments@yahoo.com), 309-846-0250)

Summer at Fox Point has arrived and kids' smiles may be seen all around our beautiful pool. If you love pork and tons of food, you may have felt like you were in heaven at our Fox Point Pig Roast. Please join me in offering a big THANK YOU to the organizers of this wonderful summer event. I must admit that I had a special joy in my heart as I watched all of our kids having the time of their lives as they played games and attempted to melt frozen T-shirts. An extra special moment was watching some of our Fox Point Teens and Pre-Teens assisting the smaller children around the playground and pool. What a great reminder that it is never too early to start serving as a positive role model for others.

On the topic of role models, I would like to express my appreciation to our lifeguards (most of which are Fox Point residents). Not only do our lifeguards have responsibility for the safety in and around our pool, they are also serving as examples to our Fox Point youth. So please treat our lifeguards with respect. And lifeguards, please take your vital roles very seriously.

Our Fox Point June Board Meeting was very productive and covered numerous topics. Fox Point Board approved a pool policy that prohibits all forms of smoking including vaping and e-cigarette smoking in the common grounds area in and around the pool complex. The Fox Point Board is also taking steps to limit level of music being played at the Fox Point Pool to prevent the disruption to residents located around the pool. We are attempting to address the cleanliness of the bathrooms and request your ongoing assistance in keeping our bathrooms clean. Please adhere to all pool policies and be positive examples for others to follow.

In addition, we authorized Trillium Landscaping to continue their work on the North part of Flint Creek; we approved the replacement of the black fence on top of the wall at the Southwest corner of the Valley Road entrance; and we discussed future desires to update the Fox Point Pool House. For more details on specific issues, please review the reports from the respective chairs. As always, you are always welcome to join us at one of our Fox Point Board Meetings (next meeting: July 18th at Village Church).

Please let me know if I may be of service to you.

**\*\*CAUTION\*\***

Please use **extreme care** when crossing Main Street while walking to and from the pool. Not all drivers will notice the flashing crosswalk lights and slow down for pedestrians.

**Parents**, please remind your children to be extremely careful when crossing that intersection!

## BOARD REPORT: ARCHITECTURE

By Marc Muhs ([marcdmuhs@yahoo.com](mailto:marcdmuhs@yahoo.com) or 630-338-6311)

We have had a quiet few months on pending home improvements here in Fox Point, so no new projects were approved at our June meeting.

If you have a home improvement project coming up please turn in your Architecture form (on the Fox Point website, [www.foxpoint.org](http://www.foxpoint.org), under Download Forms), signed by all neighbors that are in the sight line prior to starting the project.

We vote on architecture requests at our monthly Board meetings, which take place the third Monday of each month. I'd like all paperwork to me (100 Old Mill) by the Friday before the meeting so I have time to review it and connect with you regarding any questions prior to the meeting. Please do not start a project prior to approval.

Thank you in advance on behalf of our committee.

## BOARD REPORT: TENNIS

By Therese Donoghue ([tdonoghue8@gmail.com](mailto:tdonoghue8@gmail.com))

Our second session of tennis lessons begins July 11<sup>th</sup>. It is fun to see all the levels of players out on the courts – we even have a tennis group for 3 year olds! Our Youth Singles Tournament is scheduled for Friday, July 29<sup>th</sup>. All levels are welcome. Please email **Dana Joseph** at [dsj2@comcast.net](mailto:dsj2@comcast.net) to register.

Our Fox Point v. Biltmore Men and Women's Tournament is August 28<sup>th</sup> 1 p.m. to 5 p.m. More details will be in the August newsletter. We are hoping to bring home the trophy this year!

### Upcoming Dates:

**Second Session of Tennis Lessons** – Monday, July 11

**Youth Singles Tournament** – Friday, July 29

**Fox Point v. Biltmore Tournament** – Sunday, August 28th 1 – 5 p.m.

Thank you for maintaining the tennis courts for tennis activities only. Our nets have stayed up!  
We look forward to seeing you on the courts!

Therese Donoghue and Joanna Carl, [joanna\\_carl@hotmail.com](mailto:joanna_carl@hotmail.com)

By Tammy Kerr ([tkerr@canlansports.com](mailto:tkerr@canlansports.com))

Summer is underway and it seems as though many are enjoying cooling off at the pool!

A few reminders... Please supervise your children at all times while they are using the restrooms. We have had to replace all the showerheads in the men's bathroom due to damage from kids. In the ladies bathroom, kids have been wetting paper towels and throwing them up against the wall. I know it sounds like fun, however it's a bit of a mess to clean up! Poolwatch does their best to keep the restrooms tidy by checking them each hour, but it is also our responsibility as homeowners and users of our wonderful amenity to take care of it. Supervising bathroom use will help maintain the overall cleanliness of our restrooms.

On another topic, we are working to keep the experience at the pool an enjoyable one for everyone, including our homeowners that live close to the pool. Please note that we have established an appropriate level for the music at the pool and we would appreciate it if homeowners do not enter the pool office and adjust the sound of the music. The pool office is for employees only; if you have a concern that you need addressed, feel free to seek out the pool manager on the deck and they can address your concerns.

***Interested in earning some money?*** We are looking to hire a restroom attendant to help maintain the restrooms during our July 4th holiday weekend. We have found that during extremely busy weekends, the increased use makes it difficult for the pool management company to maintain cleanliness, and their first obligation is to the safety of our families. Hours would be 12-5 Sat/Sun/Mon. If interested- please email [tkerr@canlansports.com](mailto:tkerr@canlansports.com)

As mentioned in the previous newsletter, we are trying some new **Lap Lane Hours** by adding an extra lane to accommodate those who want to swim laps.

Please see the updated pool hours - there was a misprint in the previous newsletter on the pool hours for August.

***Continue to next page for pool hours***

## BOARD REPORT: SOCIAL

By Christopher Kitman (chris.kitman@citrix.com)

The Fox Point Pig Roast was a HUGH success with over 250 people attending. Thank you to **Stephanie & Brian Paine, Margot & John Cidulka, Kristen & Jake Cox, and Cara & Mark O'Hara** – your attention to detail and execution of the event was flawless. Thank you to this team in a big way!

**Stephanie Hrankowsky** won for Best Side (Maple-glazed Bacon-wrapped Roasted Carrots) and **Doreen Muhs** won for Best Dessert (Pink Lemonade Piggy Cupcakes). Two organizations were present at the Pig Roast this year, Barrington Area Council on Aging (BACOA) and Ride for 3 Reasons. **Jan Gierlach**, who is graduating from Barrington High School early this year, announced a new ride beginning next year.

Thank you to **Brian Meier** for organizing Fox Point's Annual Fishing Derby. Despite the heat causing some lulls in the action, this year's fishing derby was a huge success. Close to 30 anglers took to the shoreline at the boat dock to try winning prizes for most fish and largest fish caught. Thanks to everyone for coming out, and keep fishin'!

## NEW NEIGHBORS

By Sarah Giunchedi (giunchedi@live.com)

Please welcome **Katie Lenz** and **Jeff Borth** to their new home at **545 Red Barn Lane**. They moved here from nearby Lake Zurich. They are both originally from Palatine. Katie has also lived in Arlington Heights. Jeff attended Rose-Hulman Institute of Technologies in Terre Haute, IN, and has a graduate degree from the University of Illinois at Urbana-Champaign. Jeff is employed as a Systems Engineer at Northrup Grumman. Katie is a graduate of Elmhurst College and Illinois College of Optometry. She is employed as an Optometrist at Lossman Eye Care in Lake Zurich. This married couple enjoys the outdoors, specifically camping and walking in Cuba Marsh. They are big Chicago Blackhawks fans. Katie is also very passionate about cooking. She looks forward to connecting with other cooks in the neighborhood. Jeff and Katie found Fox Point through their close family friends, **the Romeneskos**. We are so glad to have them as new neighbors. Welcome, Katie and Jeff! **847-997-1675**

Join us in welcoming the Schrof family to Fox Point. **Larry and Amanda Austin Schrof** moved into their new home at **505 Lake Shore Drive North** with their two young children, **Eli**, age 5 1/2 and **Zoë**, age 3 1/2. Both children will attend Creative Learning Montessori School this fall: Eli is starting kindergarten and Zoë will be in preschool. This family has lived everywhere from coast to coast but is glad to be back in the Midwest after leaving Mount Prospect four and a half years ago. Larry is originally from Geneseo, IL (outside the Quad Cities). He has a degree in Computer Science from the University of Illinois at Urbana-Champaign, as well as a degree in Guitar Performance from the Berklee College of Music in Boston. He is a former Facebook employee who is starting up a technology school for kids in downtown Barrington called Elite Code Academy. Look for classes starting this fall!

Amanda hails from Auburn, WA (a suburb of Seattle). She has a BS degree in Biology from Western Washington University in Bellingham, WA. She is a Clinical Project Manager for Covance, managing studies of clinical trials for pharmaceutical companies, and works remotely from home. Amanda also enjoys crossword puzzles, scrapbooking, collecting antique cookbooks and volunteer work/service projects. She is very excited to be taking over the Fox Point newsletter as our new editor! Larry enjoys music and is a black belt in Martial Arts (Kuk Sool Won). He is interested in starting a Martial Arts Club, and is also resurrecting the Fox Point Poker Club. After looking at 32 houses in 2 days, this family decided Fox Point was for them, and we are glad they did. Welcome, Schrofs! **650-315-0327 (Amanda)** and **650-437-3439 (Larry)**.

If you know of a new neighbor who has not been welcomed, please email **Sarah Giunchedi** ([giunchedi@live.com](mailto:giunchedi@live.com)). Thanks for your help to keep the welcomes coming!

## GREY FOXES

By **Stan Stack** ([saintsjs@yahoo.com](mailto:saintsjs@yahoo.com)) and **Tom Malia** ([thosmalia3@msn.com](mailto:thosmalia3@msn.com))

The July Grey Fox meeting will be held on **Thursday, July 7th**. The meeting will be at the Onion Pub & Brewery in the Cascade Room, located in Lake Barrington at 22221 North Pepper Road, 0.4 miles north of Highway 14. Please let us know if you have suggestions to improve our meeting experience.

We are going to stick with the format we used last month. Specifically the meeting will start at 12:00 noon. We encourage you to come around 11:45 a.m. to perhaps enjoy a cocktail and some conversation with your neighbors. We also encourage you to invite any of your Fox Point neighbors and friends that may have an interest, and feel free to invite your spouse or significant other. We will order food at noon and then the speaker's presentation will be from 12:15 to approximately 1 p.m. Our meals will then be served and we anticipate that the meeting will end about 2 p.m.

Our guest speaker is **Susan Grossinger**, the Senior Services Coordinator for Advocate Good Shepherd Hospital. Susan is a past president and present board member of BACOA (Barrington Area Council on Aging). She will speak on the risks of adult seniors falling. We all need to appreciate that as we age, falling becomes a serious problem that can quickly change the quality of our lives. Susan will outline some techniques that seniors can implement to improve their balance and to thus reduce the chances of falling---for example, how to focus and be deliberate when walking. This is a great opportunity for our members to develop a strategy to prevent falling. The ideas presented could change our lives.

Finally, Susan has helped developed a class at the hospital on balance that might be of interest to the Grey Foxes. The class is for 8 weeks, 2 hours per week.

The cost of lunch will be \$19---includes tax and tip. All non-alcoholic beverages are included; alcoholic beverages must be paid on a separate tab.

As usual, we are anxious to hear any suggestions for future speakers—either in terms of a specific individual or a general topic, e.g., finances, travel, health, etc. – that you think might be of interest to the group. We look forward to your ideas.

We hope many of you can join us on July 7th.

Stan Stack and Tom Malia

## FOX POINT DOLPHINS

By Doreen Colletti-Muhs and Tammy Kerr

The Dolphins have been having a great season so far and have successfully completed all their home regular season meets!

Thank you to the cooperation of the neighborhood with the pool closure and the heavy traffic and parking on meet days. We are grateful for your support of the team.

Thank you to all those that came out to the Dolphins Silent Auction, which raised funds for all the "extras" we provide the kids that our registration fees don't cover.

A huge thank you to the following:

- All Fox Point Swim Coaches, the Swim Team Chairs and FPHA
- Fox Point families who donated to the auction, including the **Muhs family**, the **Appleby family**, and the **Nuzzo family**.
- Local businesses who donated to the auction, including Ten Friends, Salon Shea, Bloom Studio, Canlan, and The Catlow
- Everyone who bid on auction items – enjoy all the fun prizes you purchased!

Speaking of thanks, the team would also like to thank our T Shirt Sponsors, Keller Williams' own Nonie Brown (Fox Pointer) and Pasty Thalheimer (a former Fox Pointer). This is the second year that they have sponsored the Dolphins. Without their outstanding donation, our water polo and swim teams would be without shirts this year!

We look forward to an awesome July at our away meets and the two championships.

### **Important Dates:**

**July 12** Senior Championship (pool closed all day)

**July 14** Annual Swim Team Party and Awards Night (pool closes at 4 pm)

If you have swim questions feel free to e-mail Doreen at [mdmuhs@hotmail.com](mailto:mdmuhs@hotmail.com)

## **TENNIS:**

First Serve Management, Dana Joseph and Chris Cabanban, are very excited about another year managing the tennis at Fox Point. Attached are the following documents:

- Classes Offered – Junior and Adult (2 sessions)
- Ladies League and Cardio Tennis Classes (2 sessions)
- Registration Form

Both sessions are 5 weeks with the exception of session 1 on Monday (4 weeks) due to the holiday. We need you to commit to the number of classes in each session. If you know in advance that you will miss one or two classes; please let Dana know when you complete your registration. During the session, if you miss a class or there are weather issues; we will offer a make-up or extend the class one week.

We will also offer “create your own class” with a minimum of 2 students. We have flexibility in our schedule to offer classes that will fit in your schedule. If you are interested in this, please contact Dana at 847-404-3174 or email [dsj2@comcast.net](mailto:dsj2@comcast.net).

To ensure your spot in a specific class, we strongly suggest getting your registration in as early as possible. All registrations will be on a first come first serve basis. We will have an “open” registration at our “Tennis Fest” on May 14<sup>th</sup>, from 3:00 – 6:00 p.m. at the tennis courts. Please feel free to stop by and have some fun.
